

Cocktail Lounge Vote For Dysart et al In September

Electors will, in all probability, be going to the polls in Dysart some Saturday in September to express their opinions on the following questions:

Are you in favor of the

sale of liquor under a dining lounge licence for consumption with meals on licensed premises?

Are you in favor of the sale of liquor under a lounge

license for consumption on licensed premises?

We understand that Saturday, September 16 is the date preferred by council as voting day.

WHAT DYSART COUNCIL DID

Dysart municipal council met on Monday with the following results:

After the minutes of the previous meeting had been read and approved the council gave their attention to general accounts Nos. 638 to 742 inclusive, totaling \$81,897.23. We might add that included in this amount was the sum of \$60,000, being repayment of a temporary loan from the Bank of Montreal.

Direct relief accounts amounting to \$705.88 were also passed. The amount for this purpose a year ago was \$632.29.

It was moved and passed that the CNR be requested to convey the right-of-way through the township of Harcourt to this municipality at the price stated in a letter of July 5, 1961.

The Crown Assets Disposal Corporation is to be informed that this municipality will purchase the properties referred to in its letter of March 1, 1961 on the terms suggested in a letter of June 12, 1961 and payment be forwarded immediately. The properties referred to are located in the township of Harcourt.

A motion was passed to the effect that Marie W. Wightman be informed that this municipality has no objection to her erecting "no trespassing" signs on property belonging to her, but does object to them being erected on public property.

It was moved that the local chartered accountant be requested to appear at the next meeting of the council for consultation regarding municipal audit.

It was resolved that Mr. L. A. Boucher be engaged to engineer, call for tenders, to supply and supervise the erection of a multiplate pipe arch culvert on the Oblong River on lot 3, Conc. VI, Harburn.

Council decided to request that Daniel Gainforth provide a 66 ft. right-of-way instead of 33 ft. as directed on the conveyances of parts of lot 26, conc. IV Dysart, due to the future probability that the said right-of-way will become a municipal road.

It was moved and passed that the part of the building left on the road on lot 22, conc. VI Guilford be advertised for four successive issues of the Haliburton County Echo as municipal property to be disposed of unless otherwise legally claimed within 30 days of the first advertisement.

F. W. Cowling is to be advised re: transfer to Bricks that a clause be added to the deed providing that no future transfer of this parcel shall be made apart from the lot owned by the grantee immediately easterly thereof.

The following conveyances were accepted and recom-

First Band Concert Well Received

The Haliburton Legion Band of branch 129 The Canadian Legion, under the direction of the bandmaster, George Wheeler, presented their first band concert of the season on the lovely lawn of Glen Eagle lodge on Sunday afternoon last.

Prior to the start of the concert rain threatened to mar the event but the clouds cleared and it turned out to be a fine afternoon.

The concert was well received and the response of the audience was such that we feel the band will be greatly encouraged to present further entertainment of this nature.

The program on Sunday included the following selections:

"O Canada," march, "Military Escort," "Red River Valley," hymn tune "Rimington" (arr. G. Wheeler); "Trumpeters' Salute," waltz; "Forever and Ever," "Home on the Range," "Barcarolle" from the Tales of Hoffmann; overture "Aladdin's Lamp," march "Sussex by the Sea," hymn tune "A Mighty Fortress," Victor Herbert's "Toyland," "Emperor Waltz," by Strauss; Alice Hawthorne's "Whispering Hope," march, "Success," and the Queen.

The band were more than pleased to have with them on this occasion Maurice La-Casse, Dean Pulfer and Mike Miller of Gravenhurst, who we might add are members of the Muskoka District Band, and we were also pleased to have with us Mr. James Bunting of the Metropolitan Silver Band, Toronto.

We Regret—

In publishing the results of exams at the Haliburton County District High School we regret that we omitted the name of Christopher Carroll who in the general grade nine class should have been listed in those making 75% and over.

In this same class Robert Herlihey was listed as making 50% and over. This is incorrect as we learn that Robert made over 80%.

We wish to express our regrets to these young students and to congratulate them for the splendid start they have made in high school.

Honor students are all too few in our schools these days and we like to see those students who attain honor marks get credit for them in the press.

mended to the Dept. of Municipal Affairs as required by by-law 59-8.

Plans For Minden Fall Fair

The directors of the Minden Agricultural Society are now busy making plans for the annual fall fair being held this year on September 9. Since last fair day the old Minden fair ground has taken on considerable changes.

First and foremost is the erection of a new exhibit building which was constructed last fall. The fair board received full co-operation from the Minden curling clubs to make this building possible.

Curling enthusiasts pledged sums of money towards the building and many local businessmen and individuals, also interested in the undertaking, gave generously toward it.

Last winter the building hummed daily as curlers enjoyed their favorite winter sport within its walls.

Now the fair board has vast planning to do in their new surroundings before fair day rolls around.

Sad to say, the old exhibit building has been sold and will no longer be on the grounds. For years it has stood and served its purpose but time requires changes and this is just another.

The old Institute food booth was demolished last fall and the old ticket office was moved also.

The fence has had several coats of white paint, trees have been trimmed, the grass cut, and in the near future the grounds will be

CIRCUS CLOWNS ARE NOT JUST BORN

Clowning is a business before it is a art. Not all clowns are artists, but both the stars and the rank and file—have learned their trade the hard way, the big top way. They know their business. Clowns are not born. However, the good ones are born with the comedy spark. But they are not the ones the folks at home refer to as "born clowns". No cut-ups ever held a crowd in the Big Show with "life of the party" antics. Every skit, gag or walkaround 'clown bit' is a studied thing. Knowledge of human nature, psychology and comedy knowhow are factors

in each bit, no matter how brief or trivial.

The Carson & Barnes clowns have all been through the mills—they are masters of their business and their business is provoking laughs and bringing happiness to children of all ages. The clowns however, are just one small part of the mighty entertainment program of this year's stellar program presented by Carson & Barnes Circus.

Coming to Haliburton for matinee and night engagement on Monday, July 24.

something in the nature of a park. The old sheep and swine pens were torn down and rebuilt in the centre ring, near the cattle ties.

There will be three entrances to the grounds now. One on the north end of the new building for exhibitors, the small gate for pedestrians and the gate on the south end for the entrance of motor vehicles.

The directorate have gone through the prize list, making necessary changes, adding new ideas here and there for the benefit of the exhibitors.

A new feature this year is the junior section sponsored by the women's section of the fair board.

There are also a few new rules and regulations. The

board recently sold tickets on a card table and chair set and this was won by Mr. C. L. Page of Bethany. The society held a very successful strawberry supper on July 1.

Several schools have their exhibits ready for display in the school section.

The church display was a new feature last year and it is hoped that there will be an increased number of exhibits in this section this year.

Plans are now underway for entertainment and an increase in midway attractions. Several organizations in the district have already made arrangements for the refreshment booth.

So time goes! Only less than two months until we'll see you at the fair!

HALIBURTON NEWS LETTER . . .

The circus is coming to town on Monday, July 24 when Carson & Barnes, who are rated as America's third largest wild animal circus will take over the community hall park. You are invited to the show grounds on the morning of circus day to see the magic city spring to life—the mighty elephants raising the big top and the unloading of the animals.

Miss Dorothy Clarke is at present having a well earned rest at Hamilton. We regret to say that Miss Clarke's health has been the concern of many of her friends over the past few weeks and we hope and pray that after a period of rest she may regain her health and be able to return to Haliburton. This fine Christian woman has a record of service in this community that would be hard to equal and we are sure that we can say without fear of contradiction that no one in this community ever gave more of her time to those causes which were

for the uplifting and welfare of its citizens.

The auction sale held by the Rotary club on Saturday afternoon last was largely attended and a great quantity of various articles was disposed of. This is the second event of this nature held by the local club.

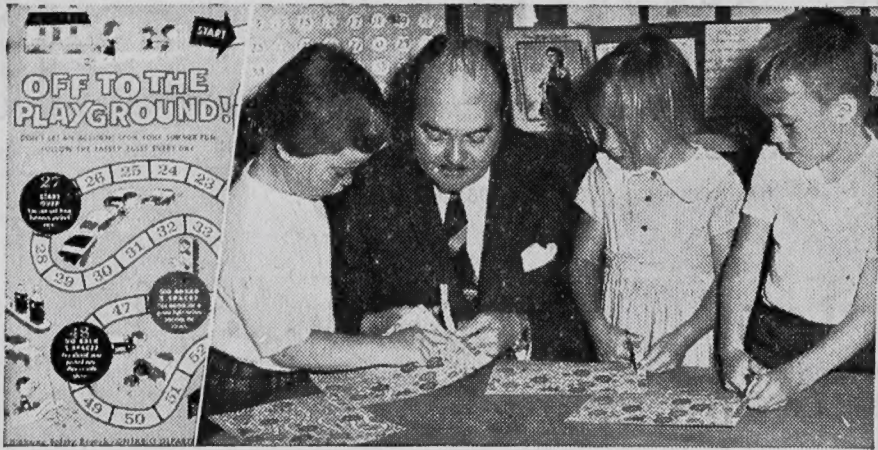

We learn that Mrs. Audrey McIntyre is making satisfactory progress after undergoing surgery in the Ross Memorial Hospital, Lindsay. If ever a person has had more than their share of operations it is Mrs. McIntyre and we trust that she will regain her health and will not again have to undergo an ordeal of this nature.

Whoever heard of a dump becoming a tourist attraction. Well the one in Haliburton almost any evening before dusk is attracting an increasing number of visitors to see a half dozen or more bears wandering about.

The Dysart council some time ago passed stiff regulations regarding the use of firearms in the vicinity of the dump and this is thought to be mainly responsible for the presence of so many bruins.

The following article was clipped from the Watchman-Warder of Lindsay which we think will be of interest to many in this area. "Brenda Yarnold, daughter of Mr. and Mrs. Robert Yarnold, won the history award at central senior school. She is following in her father's footsteps as Mr. Yarnold won the history award for Haliburton County when he passed the entrance."

The many friends of Mrs. Oswald Gliddon will be pleased to learn that she is making satisfactory progress after undergoing surgery at Peterboro's Civic Hospital. As yet we have no definite word as to when she will be able to return home.

Ontario's Transport Minister Leslie Rowntree helps Laurie McFall cut out her new safety game while Kerry Esling and Ross Pugsley of Etobicoke's Kipling Grove School take a lesson. The safety game is designed to entertain the children while reminding them of the practical rules for traffic safety. For the thirteenth consecutive year the Transport Department and the Department of Education will distribute one million of these summer safety reminders to Ontario's school children. A portion of the safety game is shown at left.

NOTICE

Regular Meeting of the Haliburton County District High School Board will be held in the High School, Wednesday, July 19 at 7.30 p.m.

LUTTERWORTH LEGENDS Chapter 12

Its proximity to the settled townships to the south and its accessibility by water brought land hungry pioneers to Lutterworth township long before the Bobcaygeon or Burleigh and Buckhorn roads opened up its northern neighbors. As early as 1849 George and Caroline Kellett abandoned their home in Peterboro county to try their fortune on the frontier. Thirty years later in 1881 George Kellett became reeve of Lutterworth. That he had the good of his own ownership at heart is proven by the county council minutes that year which record that \$500 was set aside for much needed repairs to the bridges at Moore's Falls and Black Creek.

When Haliburton's only highway was an Indian trail, Stephen Wessel, his wife Nancy and son Dennis, took up land at Moore's Lake. (Research to date has not revealed when or why Moore's Lake was named. If anyone has any information on the Moore family who prob-

ably settled there it would be very much appreciated.)

About the same time Dr. William Ellis began his service to the scattered settlers needing medical attention. One of the homesteads owned by his descendants used to be located on the grounds of Kilcoo summer camp.

Choosing a homestead in those first years when the land was heavily wooded was a chancey business. When the trees were felled the new owner was not always satisfied with his choice. In the case of John Harrison who had a homestead at the head of Gull Lake, this was soon remedied for he traded the land to a canny batchelor named John Gannon for a 100 pound bag of flour and moved to Kushog Lake.

Cecil Bowes Wright first filed claim on land now owned by James Graham Jr., which in the townships infancy was largely a dense cedar swamp. Clearing a fallow there proved such a discouraging task that after a year's struggle, C. B. Wright abandoned the location for a farm on higher ground near Hindon Hill which was later owned by Sam Crawford.

John Graham Sr., born at Caledon East, July 2, 1862, settled on the land Wright abandoned in 1876 and began an enviable career as foreman on the drives and winter logging camps. Seventeen years later he married Mary Jane Mortimer. Together they played an important role in the growth of their church and the community. In Masonic circles John Graham must have established some sort of record for attendance for he never missed a meeting from the time he joined the Minden lodge around the turn of the century until his death almost 50 years later.

Thomas Ranson, whose gift of ground to the Women's Institute of Minden made the community park and picnic ground by the Gull River possible, was at first a pioneer of the Schraders, Mortimers, Robinsons and Harrisons. David Galloway who in 1897 was president of the Minden fair, with his wife Jane moved from Millbrook to Lutterworth where their daughter, Mary Jane, became the bride of Steven Otto, one of the district's most successful trappers.

Before their transfer to Deep Bay, some of the Pogue family were among the first settlers in Dysart township. A son of the family, born at their first home on Lake Kashagawigamog, named for the township, was called Dysart Pogue.

Thomas Leary was well known throughout the north for the hospitality he dispensed at Moore's Falls where he maintained an inn for the accommodation and comfort of the traveling public. Leary himself hauled the mail from Lindsay to Minden when the journey was an ordeal rather than the pleasant motor trip it is today.

It is interesting to learn that in 1853 Alexander Murray, the assistant provincial geologist who traversed the Balsam Lake, Kashagawigamog and Madawaska route from east to west met trappers on Kashagawigamog and Gullfoot Lake. His papers mention that a sawmill was built in 1852-53 on the lower rapids of the Gull River where there were already several new clearings with houses and barns on them where, as he phrases it, "all was a wilderness one twelve-month before."

A miscellaneous shower was held on Friday evening June 23 in the Orange hall in honor of Miss Marie Raby, daughter of Mrs. Robert Raby of Gooderham.

The hall was tastefully decorated with bells and pink and white streamers. The bride-to-be was assisted in the opening of the gifts and millinery designing by Misses Joyce King and Miss Shirley MacDuff.

Marie was the recipient of many useful and pretty gifts for which she thanked her friends. A delicious lunch was served and all enjoyed a delightful social evening.

On Sunday evening a large crowd assembled in the United church. It was the occasion of Mr. Cecil Dawson's farewell sermon. He left the following message with the congregation from II John 8: "Look to yourselves that we lose not those things which we have wrought but that we receive a full reward."

Rev. D. Staples of Minden was present and administered baptism to 12 candidates. Eight new members were received into the church. The sacrament of holy communion was also observed.

Mr. and Mrs. Charles Hadley and family, Toronto, spent the week end with Mr. and Mrs. Garnet Hadley.

Mr. and Mrs. Nelson and daughter Sandra of Sudbury visited with Mrs. J. Stoughton.

Owing to inclement weather the United church picnic was postponed until a further date.

Mr. and Mrs. John Hallam, Mr. Murray Wallison and Mr. Wayne Lynn attended the Mosport races on Saturday.

Mrs. Allan Madill had the misfortune to break a bone in her ankle on Tuesday.

Miss Marie Billings, daughter of Reeve and Mrs. Willard Billings is ill in Ross Memorial Hospital.

Mr. and Mrs. Francis Leveck, Eva and Edward of Port Perry spent a few days visiting relatives.

A very enjoyable evening was spent in the Orange hall on Tuesday evening, June 20, when a presentation was held for Mr. and Mrs. Cecil Dawson and family who are leaving for Cannifton, Ont., where Mr. Dawson will be in charge of the United church services in that area.

Recent visitors with Mr. and Mrs. G. G. Hadley were Mrs. John Crozier and daughter Margaret, Mrs. Geo. Cawthra and Mrs. Adam Crozier of Dorset.

NEW POSTAL CONVENTION IN EFFECT JULY 1

Pastmaster general William Hamilton today reminded Canadian mailers that recently announced convention governing the postal service between Canada and the U.S. will come into effect on July 1, 1961. Under the new convention, there will be changes in parcel post and newspaper rates from Canada to the U.S., and an increase in registration indemnity for articles posted in Canada and destined for the U.S.

Postmaster general Hamilton, in reminding the mailing public of the changes, pointed out that under the new agreement the weight limit on parcels mailed in Canada had been increased from 15 pounds to 25 pounds and that the maximum indemnity for the loss of a registered article mailed in Canada to the U.S. has been raised from \$25 to \$100.

Under the new rate, Canadian parcels mailed to the U.S. will require postage ranging from 40 cents for a one pound parcel to \$4 for a 25 pound package. Registration fees on mail for the U.S. will now be identical with domestic rates, ranging from 20 cents for a maximum indemnity of \$25 to 40 cents for a maximum indemnity of \$100.

Mr. Hamilton noted that the U.S. administration had recently announced increases in rates governing printed matter, samples, registration fees and parcel post on items mailed in the U.S. for Canada.

Card of Thanks

It is our desire to express our sincere thanks and deep appreciation to our many relatives, neighbors and friends for their kindness, messages of sympathy and floral tributes during the loss of our dearly beloved wife and mother. Special thanks to Dr. Carroll and the nursing staff of the Red Cross hospital for their kindness and to the Rev. Lynton Fairhurst for his words of comfort.

—William Stamp and family.

I wish to express my sincere thanks to my many friends, relatives and neighbors for all their kindnesses, prayers, cards, flowers and fruit and to all those that carried on and helped in any way to make my parents' golden anniversary such a happy occasion and a special thank you to those that helped at home to look after the family and to Dr. Good and staff at the Haliburton Red Cross hospital during my recent illness.

—Mrs. Mervyn Gilbert.

I would earnestly like to thank all friends that visited me, sent cards and phoned me while confined to hospital.

In Memoriam

McPhadden—In loving memory of a dear daughter, Kathleen, who left us one year ago July 10, 1960:

Dear one, a mother misses you,

Finds time long since you went;

Grieving so that you had to go,

Seeking in prayer for content.

The tears that I shed in silence,

The unbidden sighs of regret

Are for you because I remember

Though all of the world forgets.

Sadly missed and lovingly remembered by mother, Mrs. Florence McGuire.

Hie—In loving memory of a dear mother, Marjorie Hie, who passed away July 16, 1957:

Her weary hours and days of pain,

Her troubled nights are past

And in our hearts we know

She has found sweet rest at last.

Sadly missed and always remembered by daughter Evelyn and son-in-law Neil.

In loving memory of our dear sister Hazel who passed away two years ago, July 7, 1959 and our dear sister Sabina who passed away one year and eight months on January 28, 1960; also our dear brother John who passed away April 10, 1961:

We shall always remember the way you look

The way you used to smile.

The little things you said and did

Are with us all the while.

We often look at your photos

You are smiling and seem to say

Don't cry, I am only sleeping

We will meet again some day.

Sadly missed by your sisters, Mabel, Tessa and Dossie.

Ross—In loving memory of our darling son Donald:

Though his smile is gone forever

And his hands we cannot touch

Still we have so many memories

Of the one we loved so much.

His memory is our keepsake

With which we'll never part

God has him in his keeping.

We have him in our hearts.

—Mommy and daddy.
